1. This Office action is in response to the Rule 132 declaration and after final amendment filed 1/13/05 and refers to the final rejection mailed 7/13/04.

2. The following is an examiner's statement of reasons for allowance: the executed Rule 132 declaration proffers persuasive evidence that the claims of the present invention are patentably distinct over the prior art of record in the showing of its graph that the prior art is no better than the comparative examples of the present invention, though the inventive examples are distinctly better in various parameters than its comparative examples and the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to J. Pasterczyk whose telephone number is 571-272-1375. The examiner can normally be reached on M-F from 9 to 5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mark Bell, can be reached at 571-272-1362. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
